PACKAGE CONTENTS

The Vampyre Caves Disk Instruction Manual Warranty Card

OVERVIEW

You must indeed be brave to tread the caves of the Prince of the Undead. So many have entered ahead of you, only to disappear. Black, lifeless darkness greets you. Swallow your fear; think only of the reward in gold you seek. This is the second of the dramatic SwordThrust adventure series, which plunges you into the medieval world of cunning and combat. The characters assume a whole range of personalities, requiring diverse strategies. They grow wiser and wealthier as you play on. The SwordThrust legend lives on.

BEARS IN STRALS

time to remove the SwordThrust Master disk from the drive and replace it with the Vampyre Caves disk. When the game disk is in place and ready, press <C>. The computer will read the disk and thrust your character into the Vampyre Caves adventure.

SUSPEND A GAME

Should the real world demand your attention before your character has completed the adventure, you can suspend the game and store it. To do so, just type in the command SUSPEND. The game is saved on the Vampyre Caves disk.

To restart the game, boot the Vampyre Caves disk; that is, put the disk in the drive and turn the computer on. The game will pick up where you suspended it. Only one game, the most recent, is held in suspension.

WARRANTY MESSAGE

Please take a moment to fill out and mail the enclosed Warranty Card. By having your name on file, we will be able to provide the best possible customer service, including information on program updates and replacement of damaged disks.

A great deal of effort has gone into preparing this program to operate smoothly and without "bugs." Should you have problems with this program, please contact our Customer Service Department at the following toll free number. We have the experience and service network to assist you.

1 (800) 341-4000

Given normal use, this disk should not become damaged. However, if either the disk or the program on it does become damaged, please return it to us with a description of the problem. The Software Guild will replace your disk promptly, according to warranty provisions.

The objective of the Software Guild is to provide the best software available. A Softsmith product is the trademark of software quality. We ensure that the program functions smoothly and is easy to use. To improve our products whenever possible, we are happy to receive comments, criticism, or praise. Please write to us at:
