

TEMPLE of VRAN

A vibrant illustration of a canyon scene. In the foreground, a winding path made of small, rounded stones leads from the bottom left towards the center. The canyon walls are steep and composed of layered rock formations, colored in shades of blue and purple. At the far end of the path, a large, rectangular stone structure, possibly a temple entrance, is visible. Above this structure, a large, bright yellow sun is partially obscured by the canyon walls, casting a warm glow over the scene.
