LINE OF FIRE™

"This Time They've Gone Too Damned Far!"

Middle Eastern Terrorists have developed the most powerful one-man weapon yet to be devised - a weapon which, in the wrong hands, would wreak havoc on any urban battlefield. Now you've been assigned to steal the prototype Rapier Field Gun - the most awesome, multi directional combat weapon known to man - from their high security 'fortress' camp. The other operations were Sunday picnics compared with this one. Getting in will be tough - getting out alive will be damned near impossible!
