## Letter From Trip Hawkins

Dear Customer,

I'm a gamer and that's why I founded 3DO.

Like you, I want to play fun games. And this catalog represents my commitment to building exciting games for gamers. Here you'll find games with great game play, absorbing story lines and superior sound and graphics—personally tested and approved by me.

Our games are clever, fun and deep. Whether you're exploring the two inch-sized world of Army Men, battling ferocious dragons in Might and Magic or are simply trying to beat the house in Vegas Games, I know you'll discover worlds you'll want to visit again and again.

Our philosophy is simple: it's all about the game. And everyone at 3DO shares this passion, because...

We're here to play.

Trip Hawkins  
Founder and CEO
