QUICK INSTALL:

1. Insert the Might and Magic™ IX INSTALL CD into the CD-ROM drive. The installation should automatically launch. If the install does not launch automatically, click **Run** from the Start Menu and type D:\SETUP.EXE (where D: represents your CD-ROM drive).
2. While installing the Might and Magic IX game, you will be prompted whether or not to install DirectX® 8.1 on your computer. Setup will automatically detect your version of DirectX and make a recommendation for you. Please follow the onscreen recommendation and click either **Yes** or **No** to continue.
3. Click **Next** to continue with the Setup program. You can click **Cancel** to quit the program at any time.
4. Click **Yes** to agree to the Software License agreement or **Back** to return to the previous screen. You must accept this agreement to install the Might and Magic IX game.
5. Complete the installation process by following the onscreen prompts.

You are now ready to play the Might and Magic IX game.

To play, place the Might and Magic IX PLAY CD into the CD-ROM drive. Select the **Play** button from the Autoplay Menu. If the Autoplay Menu doesn't appear, go to the Start Menu, select Programs | 3DO | Might and Magic IX | Might and Magic IX.
