

INSTALLATION

MIGHT AND MAGIC® MILLENNIUM EDITION

1. Insert the Might and Magic Millennium Edition Install Disc 1 into the CD-ROM drive. The Autorun should appear. Please click on the Install Button to launch the Millennium Edition Install. If the Autorun does not appear automatically, click Run from the Start menu and type D:\SETUP.EXE, where D: represents the letter of your CD-ROM drive.
2. You will be prompted whether or not to install DirectX™ 6.1 on your computer. Setup will automatically detect your version of DirectX and make a recommendation for you. Please follow the on-screen recommendation and click either Yes or No to continue.
3. Click Next to continue with the Setup program. You can click Cancel to quit the program at any time.
4. Click Yes to agree to the Software License agreement or Back to return to the previous screen. You must accept this agreement to install Might and Magic Millennium Edition.
5. You should now be presented with a screen that allows you to choose which versions of Might and Magic Millennium Edition you wish to install. Choose the ones you wish to install then click Next.
6. Based on your selection[s] in item 5, other installs will automatically be run. Please follow the on-screen prompts for each of these to install the other products.

NOTE: In order to view the Might and Magic Millennium Edition manuals you will need to install the Adobe® Acrobat® Reader. You will be prompted during the install to do so.

You are now ready to play Might and Magic Millennium Edition. To play, go to the Start Menu, select Programs, 3DO and choose which game you wish to play.

Might and Magic®

MILLENNIUM EDITION

Thank you for your purchase of Might and Magic® Millennium Edition. We're sure you're going to enjoy playing the *BEST* of the Might and Magic series. You have before you hundreds of hours of adventuring, insightful game play, five unique and intriguing stories and, above all else, fun gaming. We want to take a moment to let you know exactly what you're getting in this package so please read on.

This collection chronicles the lands known as Xeen where you'll be able to explore both sides of this truly unique flat world, Enroth and Erathia. Herein you will find yourself faced with wondrous landscapes, dangerous foes, twisting plots, fair maidens and crafty merchants. You will be able to watch characters from your own imagination come to life.

This box contains six game CDs, two double-sided game World Maps, an Installation Card and a Catalog. The CDs are truly your treasure trove. We've included four full versions of Might and Magic plus the added adventure Swords of Xeen. As a bonus, Might and Magic IV and V actually join on your hard drive to form an expanded adventure: The World of Xeen.

In addition, instead of burdening you with huge manuals [which would require more than 100 pages], we've included them on the CDs. Please make sure to install the appropriate Manuals when you install the games. Also, be sure to review the Quick Reference Cards and print them out for handy reference. And, above and beyond that, we have included detailed Cluebooks and Walkthroughs for each game. These handy guides can lead you out of even the deepest, darkest dungeons.

The adventure awaits, so roll up those chain mail sleeves and delve into the fantastic world that is Might and Magic.
