NEW WORLD COMPUTING, INC.

1996

1996 will see the debut of some of New World's most innovative games. *Heroes of Might and Magic*, combines the best of the *Might and Magic* series with the best elements of the strategy game genre.

New dimensions have been added to this year's titles, including 3D rendered graphics, multiplayer options and digital environmental audio. Embark on a fast and furious ride through an exotic and perilous underwater world in *Wetlands*. In *Metal Lords: The Inner Circle*, you must prove your worth to the empire through diplomacy, technological insight, and combat tactics. These are just a few of New World's upcoming releases. Fasten your belts, and get ready to explore with New World Computing.

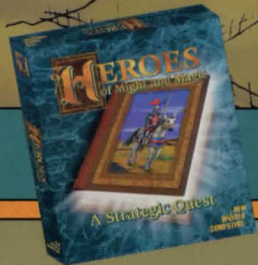

HEROES[™] of Might and Magic[®]

The realms of *Might and Magic* are expanding!

In a battle-torn world, your mission is to subdue your enemies through resource management and battle savvy. Keep a level head and an iron fist as you strive for total control in the world of *Heroes of Might and Magic*.

- ✦ Unlimited Replay
- ✦ Massive Interconnected Campaign
- ✦ Multiplayer: Direct-Connect, Network and Modem

ONLY
\$49.95

FANTASY STRATEGY

WETLANDS™

TAKE A DEEP BREATH. . .

And plunge into *Wetlands*, an edge-of-the-seat thrill ride through a futuristic underwater world. As John Cole, bounty hunter, your next gig is to track down and apprehend a madman who has the capability to destroy the entire planetary system. Tracking the fugitive won't be easy! The action is fierce, the stakes are high, and failure isn't an option.

- Cinematic Action Thriller
- Intense Arcade Game Play
- 3D Rendered Graphic Environment

ACTION ADVENTURE

\$39.95

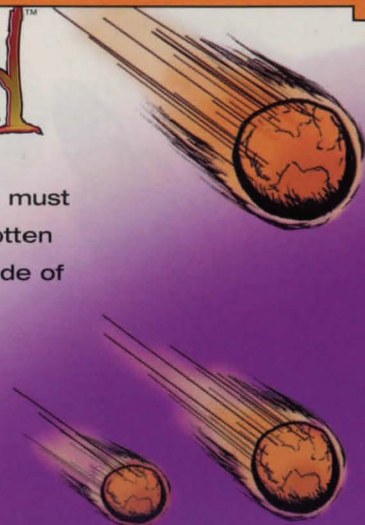

ANVIL of DAWN™

In a world besieged by evil, a true champion must be found. You must journey across the forgotten world of Tempest and attempt to stem the tide of evil. Travel to the center of creation...to the *Anvil of Dawn*, if you are to succeed in destroying the evil warlord.

- ✦ Ultimate Role-Playing Adventure
- ✦ Perfect for Novice to Expert Gamers
- ✦ Hundreds of Weapons, Spells, Artifacts, and More.

FANTASY ROLE-PLAYING

\$49.95

METAL LORDS™ THE INNER CIRCLE

INGENUITY. DIPLOMACY. RUTHLESSNESS.

The key elements of a successful colonial governor. In *Metal Lords: The Inner Circle* you must prove your worth to the empire through shrewd diplomacy, technological insight, resource management, and of course, combat tactics.

Are you prepared to join the *Inner Circle*?

\$49.95

SCIENCE FICTION/STRATEGY

EMPIRE II

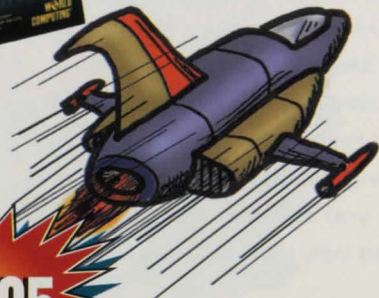

The Art Of War

**THE TRADITION
OF EXCELLENCE CONTINUES**

Put your warfaring skills to the ultimate challenge with *Empire II: The Art of War*. *Empire II* gives you complete control over troop details and battlefield strategy, including intensive campaign planning, resource management, deployment, combat, geographic and weather conditions, supply line security, fortification and more!

\$49.95

WAR STRATEGY

Multimedia
**CELEBRITY
POKER™**

Direct from Hollywood to your computer. Settle down to a game of five card draw or seven card stud with the likes of *Morgan Fairchild*, *Joe Piscopo* and *Jonathan Frakes*. Brought to you live, in full motion and living color. Customize the experience by choosing which games to play and chip values. So when you are asked to ante up, you had better be ready to bet, bluff and win.

ENTERTAINMENT
