THE GAME

The evil, despot and thoroughly nasty Black King has kidnapped the beautiful Princess Leah and is hiding her in his black castle. The princess seemed doomed to a black future until Herbert the Mortal volunteered to attempt a rescue mission. His only chance of success is to find the parts to a mysterious machine. The essential pieces are spread throughout the land in underground complexes. Herbert must collect these parts and assemble them in the yellow castle. A rescue is however, not sufficient for the Princess Leah's hand in marriage. Herbert the Mortal must also collect jewels and gold to provide for their future.
