Background

Kixx XL, the first fully branded mid-price range, was launched in November 1992. Designed to offer top quality product at affordable prices the range includes flight simulators, sport simulators, graphic adventures and role-playing titles from a host of highly acclaimed software companies.

makes full use of its association with the music industry, producing bench-mark adventure games. Superb graphics, sound and storylines make Delphine's titles a must for every gameplayers collection.

LucasArts®

Founded by George Lucas, creator of Steven Spielberg produced blockbuster movies, including Star Wars® and Indiana Jones®, LucasArts Entertainment Co. is famous for a wide range of award-winning adventures and flight simulations.

Sierra®

Founded in 1980, Sierra On-Line was one of the pioneers in computer adventure gaming and has continued to be a market leader, enjoying industry acclaim for its titles including the Leisure Suit Larry™, King's Quest® and Police Quest™ series.

Background

SSI®

SSI entered the fantasy role-playing market in 1984 with such titles as Wizards's Crown, Questron and the Phantasie series.

In 1987 they formed a partnership with TSR, Inc., which gave SSI the license to produce and sublicense the official AD&D® and D&D® computer games, the Eye of the Beholder series.

Access™

In the early 80's Utah based Access Software Inc developed Leaderboard, a golf game that has sold over 1 million copies worldwide. Since then World Class

Leaderboard, Links the Challenge of Golf and Links 386 Pro and an array of championship courses that are 'so realistic you'll think you're there' have established Access as the golfing experts.

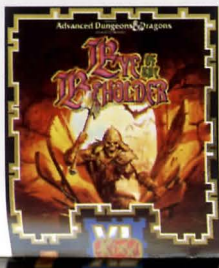

MicroProse™

MicroProse successfully manage to harness the fascination most people have with land and sea based military technology and combine it with realism, authenticity and leading edge graphic techniques to produce what are undoubtedly the best simulations on the market.

LEISURE SUIT LARRY 1™

LARRY IN THE LAND OF THE LOUNGE LIZARDS

He's the ultimate blind date nightmare. The kind of guy you wouldn't want your daughter to meet, let alone date. Become the lovable nerd Larry for one fabulous night. You'll drink, you'll gamble and if you play your cards right, you might even meet the girl of your dreams!

Leisure Suit Larry is a humorous, harmless endeavour for ADULTS.

- Incredible 3-D animation.
- Hand painted and digitised art in full colour.
- Point 'n' click interface.

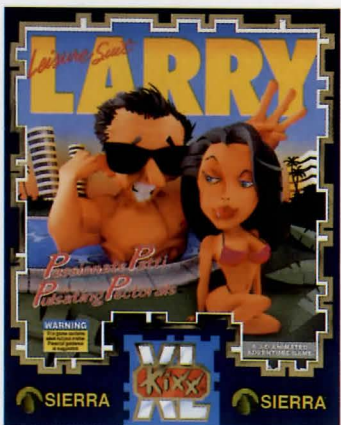

LEISURE SUIT LARRY 2™

LARRY GOES LOOKING FOR LOVE (In several wrong places)

Larry has just won the Lottery, a dream date on the "Dating Connection" and a dream cruise on the "Lovers Boat". Larry has really got lucky this time!

But behind this beach blanket of fun and frivolity lies a ballyhoo of espionage and intrigue! Larry's good luck could vanish quicker than his hairline.

- Sensational cinematography and outrageous animation.
- Features split screens, windows and other great graphic gimmicks.
- Outrageous parody and tongue-in-cheek humour.

LEISURE SUIT LARRY 3™

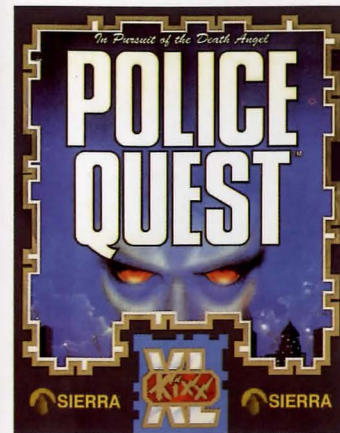

PASSIONATE PATTI IN PURSUIT OF PULSATING PECTORALS

Are you Larry Laffer, everybody's favourite goodtime guy, trying to find himself in the overgrown jungles of a south-sea island? Or are you Passionate Patti, nightclub entertainer extraordinaire, searching everywhere for the man of your dreams? In this laugh-a-minute 3-D adventure, you're BOTH!

Novice and experienced players alike will enjoy this extra dimension of play as the viewpoint changes from runaway Larry to his lady love, Patti, on a quest for the man that got away - two adventures in one!

- Strong plot and character development.
- Complex interaction.

"The graphics on this Sierra adventure are brilliant."

POLICE QUEST™ I

IN PURSUIT OF THE DEATH ANGEL

Experience what it's really like to be a cop!

A major criminal, dubbed by the press as 'Death Angel', is creating havoc in the community. You take on the role of a street cop in uniform: your task is to restore law and order in a town where drug trafficking, robbery and murder have made the streets unsafe!

Realistic crime computer provides access to vital information.

- Over 100 city streets and four highways provide the landscapes for hot leads and highspeed pursuits.
- Multiple solutions and variable scoring.

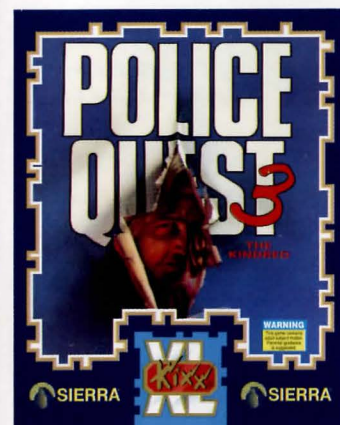

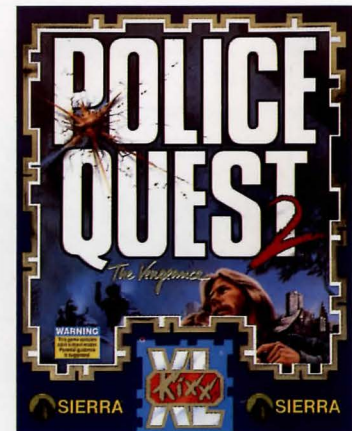

POLICE QUEST™ II

THE VENGEANCE

The Death Angel is back! The local jailer has been murdered and your girlfriend has been kidnapped. Peace is shortlived when you're a police officer.

Master the use of weapons. Become adept at disarming bombs, work with forensic and crime labs; as you seek vital evidence that can lead you to your suspects. The lives of innocent people depend on the effectiveness of your investigation!

- Greatly enhanced animation, graphics and sound effects.
- Supports Mouse or Joystick.
- Includes complete homicide detective's guide.

POLICE QUEST™ III

Sonny Bonds is back in this most realistic and intense adventure. It had seemed that the Death Angel had been eliminated forever. But the nightmare has just begun - Bains' brother is out for revenge, and his target is Sonny's wife!

Master authentic police procedures and co-ordinate forensic and crime lab investigations as you try to solve bizarre ritual killings.

- Video captured actors with lifelike action sequences.
- Realistic sound effects.
- Features a searing soundtrack composed by Jan Hammer (Miami Vice).

- SLALOM
- SKI JUMP
- CROSS COUNTRY
- DOWNHILL
- THE LUGE
- BOBSLEIGH
- HOT DOG AERIALS
- SPEED SKATING
- FIGURE SKATING
- BIATHLON

**CADAVER**

Take on the role of Karadoc who is languishing in a grim dungeon. Your long-term objective is unknown to you and only discovered as you explore.

- Hundreds of rooms to explore and puzzles to solve.
- Isometric 3-D view.
- Joystick and Keyboard controls.
- Eight directional movement.
- Superb sound effects.

Also includes **Payoff**, an additional 200 dungeons/rooms to explore.

"A classic game that is a worthy addition to anyone's software collection. The graphics are simply brilliant."
AMIGA ACTION 84%

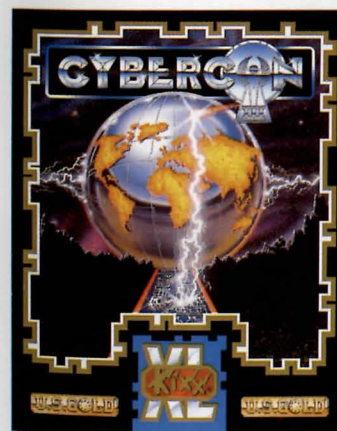

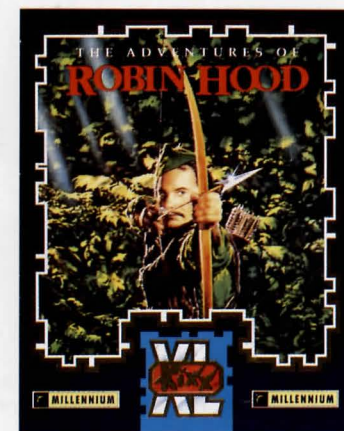

THE ADVENTURES OF 'ROBIN HOOD'

The ancient castle of Nottingham, once home to Robin, has been taken over by a new Sheriff. As Robin Hood, you must recruit and direct your band of Merry Men. Avoid capture, help the oppressed and regain your rightful inheritance.

- Atmospheric music and sound effects.
- Isometric 3-D perspective.
- Real speech interaction.

"A top notch isometric adventure that's a belter." **CU AMIGA**

"The gameplay is totally absorbing." **ST ACTION**

**CYBERCON III**

"ONE DAY, INTELLIGENT MACHINES WILL TAKE OVER THE WORLD..." H.G. Wells (1866-1946)

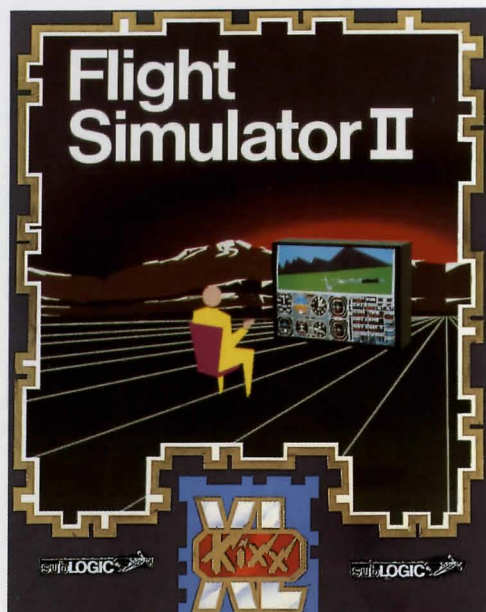

You have bravely volunteered to execute "Operation Nemesis." To neutralise the merciless Super Defence Computer gone mad: Cybercon III.

Equipped with your enhanced power armour you must penetrate the complex protecting CYBERCON III's brain stem and deactivate it.

- Uses incredible 'Real World' 3-D graphics.
- 400 unique locations.

"Experience a complex virtual reality inside your computer."
THE ONE (PC) 93%

"A stunningly detailed virtual reality..." **CU AMIGA 93%**

FLIGHT SIMULATOR II

Put yourself in the pilot's seat of a Cessna 182 single engine aircraft and head for the skies or fly a Gates Learjet 25G. High speed 3-D graphics provide a spectacular panoramic view as you practice takeoffs, landings and aerobatics.

- Features 120 airports in five different scenery areas: New York, Chicago, Seattle, Los Angeles and San Francisco.
- Day, dusk and night flying modes.
- Multiple 3-D window views with aspect ratio and zoom control.
- Variable weather controls and multiple viewpoints.

SCENERY COLLECTIONS

The following scenery collections are compatible with Microsoft® Flight Simulator® and all SubLogic flight simulations!

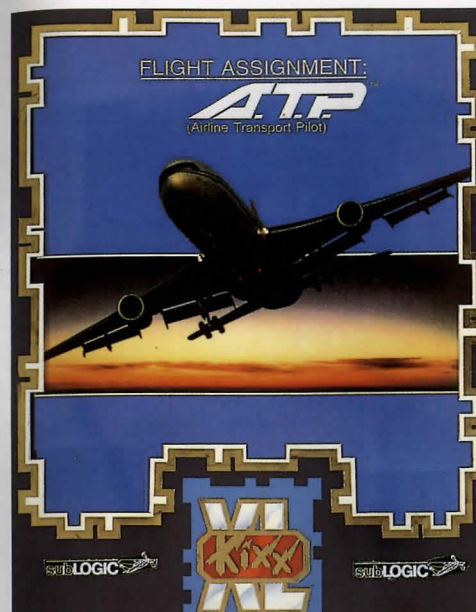

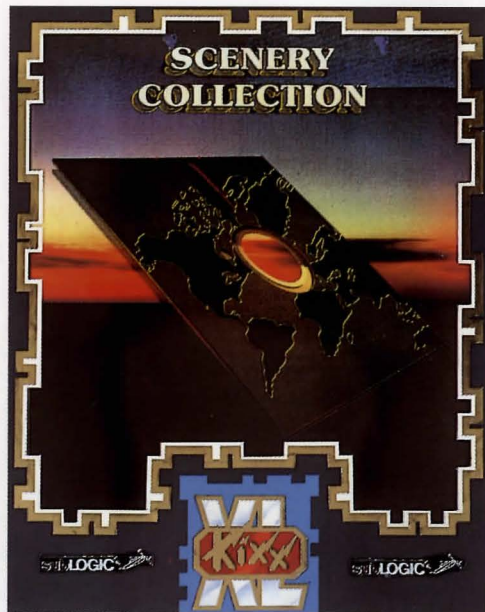

SET A: Featuring Washington, Charlotte, Jacksonville, Miami, Detroit, Lake Huron, Tokyo and Osaka.

SET B: Featuring Chicago, St. Louis, Cincinnati, New York, Montreal, Halifax and the 'Hawaiian Odyssey' Scenery Adventure.

CALIFORNIA: Featuring California and Nevada.

GREAT BRITAIN: Featuring England, Wales, Scotland, Northern Ireland, Ireland, Hebrides, Channel, Orkney and Shetland Islands.

Each collection contains three separate Scenery Disks. Each disk typically covers an area of over 300,000 square miles and includes all major airports, nav-aids and area scenery highlights. You must have Microsoft® Flight Simulator® or a SubLogic program in order to use these disks.

FLIGHT ASSIGNMENT

A.T.P. (AIRLINE TRANSPORT PILOT)

Sit back and watch the ingenious autoflight mode fly professionally modelled Boeing 737, 747, 767, Airbus A-320 jet airliner or Shorts 360 twin-engine turbo-prop from takeoff to touchdown. When you're ready to earn your wings as an Airline Transport Pilot, take the controls and fly any of hundreds of predefined flight assignments with on-screen Air Traffic Control instructions and feedback or go flying on your own in free flight mode.

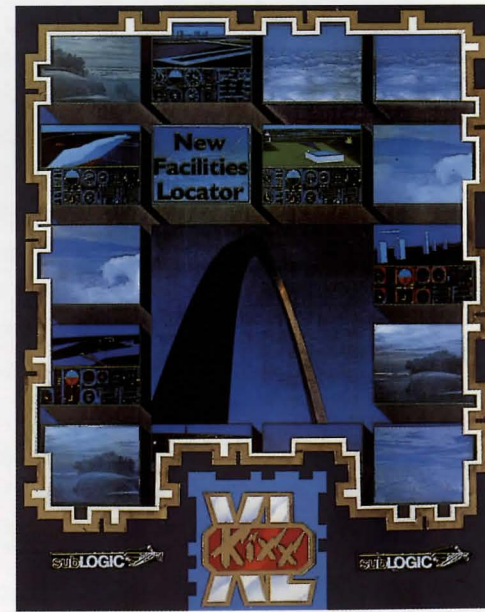

- Full autoflight mode for beginner pilots.
- Automatic weather system generator.
- Structured flight assignments to 26 major U.S. cities.
- Accurate instrument panels for each different aircraft.

NEW FACILITIES LOCATOR

Explore the world effortlessly with New Facilities Locator! This add-on program lets you easily transport yourself to any airport, nav-aids, route intersection, waypoint or other identifiable location on Microsoft® Flight Simulator®, Flight Assignment: A.T.P. and SubLogic Scenery Disks.

Instead of typing facility coordinates, all you have to do is select from a menu list of available facilities and let the program transport you there.

An additional feature allows you to name and save your own reference locations in any scenery area. Instantly move to your favourite scenery highlights with the simple press of a key.
