

1995-96

*The Games
Catalogue*

S I E R R A ®

Dear Customer,

Welcome to the
'95-'96 Sierra games catalogue!

The products in this catalogue are the result
of thousands of hours of design
and programming by a dedicated and
passionate team of professionals.

You will find all the latest
multimedia games including new releases
expected for 1996.

Each game is presented under
its own category
(adventure, simulation, strategy etc.)
with a detailed description in order
to let you discover
your favourite games in the
simplest way possible.

PHANTASMAGORIA

The terrifying story of a woman fighting for her life against the forces of evil comes to life in the most advanced multimedia suspense thriller ever: Phantasmagoria. Unfolding in novel-like chapters, this game establishes an unprecedented blend of Hollywood film

UNIQUE FEATURES

- Developed using sophisticated Hollywood film techniques and digital effects
- Features an ultra-realistic 3-D rendered world in which characters have free movement
- Unfolds in novel-like chapters
- Available on 7 CD's
- Written by master game designer Roberta Williams

production, digital effects, computer-rendered worlds, and interactivity. In Phantasmagoria, master designer Roberta Williams creates a frighteningly believable nightmare from which you may never awaken.

«A sinister game in the style of Edgar Allan Poe, Alfred Hitchcock, and Stephen King»

PC GAMER

GABRIEL KNIGHT II

THE BEAST WITHIN

Sierra once again brings its inimitable touch of quality to adventure games! This new Gabriel Knight mystery plunges the player into a disturbing, baroque Germany, on the track of King

UNIQUE FEATURES

- Named "Best adventure game of 1995" by Computer Game Review
- Entirely written and directed by award-winning designer Jane Jensen
- Original music that includes an entire opera composed by Robert Holmes
- A hyper-realistic multimedia production with over 80 different locations and 1,000 screens placing the player right in the heart of the adventure
- The story is set out in a prologue and 6 chapters, punctuated by the interventions of the two heroes, Gabriel Knight and Grace, his assistant
- The Beast Within can be played under Dos and Windows
- Anguish and suspense on 5 CD's

you
will be
fascinated
by this intriguing
adventure which will catch you
up in a story beginning
in 1750.

Ludwig of Bavaria, Wagner's last opera, and the mysterious "Black Wolf". Gabriel, a descendant of the Schattenjägers (Shadow Hunters) family, is investigating in Munich a series of murders involving mutilations which could be the work of werewolves! Right from the prologue,

URBAN RUNNER:

LOST IN TOWN

This title inaugurates the "thriller" genre on CD-Rom.

Urban Runner has been designed and directed entirely in video, but it is not a video film, rather a new step forward in adventure game techniques with the single aim of giving the player more gaming satisfaction.

UNIQUE FEATURES

- The use of an innovative multimedia technology: the game is developed entirely from filmed sequences
- Several months of filming directed by movie professionals
- Over 180 minutes of filmed sequences
- A unique system enables you to play the part of two characters, one after the other
- Automatic saving of sequences with the possibility of looking over all the actions the player has undertaken

The use of new technologies derived from film-making, the story's rhythm, the evocations of famous films and the originality of the script, as well as the new ideas, the humour, the ergonomics and the fascinating situations, go to make Urban Runner a landmark event.

A 100% Video Thriller

ADVENTURE

THE POLICE QUEST COLLECTION

«Gives the public a feel of what it's like to be a police officer on the street» NBC NEWS

Walk the thin, blue line in four of the most realistic crime games ever created, packed with complex storylines and real-life mysteries that only a handful of real police officers ever face - or solve. You don't just watch the action - you're in the thick of it. Be warned: make one mistake and they'll be back on the streets.

What's in the box:

- POLICE QUEST 1
- POLICE QUEST 2
- POLICE QUEST 3
- POLICE QUEST 4
- Behind-the-scenes series history with game creators
- Abridged L.A. Police department manual

ADVENTURE

THE LARRY COLLECTION

«Love at first byte...loaded with trashy jokes and pick-up lines»
PLAYBOY

If you have never experienced the tasteless wonder that is Larry, you're in for a treat, guaranteed to keep you smiling and smirking long into the foreseeable future!

This complete collection contains the following:

- Leisure Suit Larry 1, 2, 3, 5 and 6
- Plus a crazy collection of other side-splitting stuff:
 - The Laffer Utilities
 - Leisure Suit Larry's Casino games: Slot machine, Poker, etc.
 - Softporn: the text-only cult classic that "spawned Larry"!
 - An exclusive interview of creator Al Lowe

*Release the adventurous instincts
within you!*

When he comes home one morning, TORIN discovers that his parents have been kidnapped by a witch and are being kept as prisoners under one of her spells. TORIN abandons his work as farm hand and decides to pursue this witch (whose name he knows,

UNIQUE FEATURES

- A magical story full of intriguing and fascinating characters
- A succession of worlds within worlds, each one revealing its particular landscapes, inhabitants and... secrets!
- A game directed by Al Lowe, producer of the famous Leisure Suit Larry series
- An exceptional soundtrack composed by Michel Legrand which gives impressive depth to this marvellous adventure
- Exceptional graphics and ultra-smooth animations
- A «close capture» option enables you to read and/or hear the dialogues
- Compatible with Windows '95

TORIN'S PASSAGE

but that's all), to trace her whereabouts and lift the spell put on his parents. This minutely detailed and dangerous quest will be his Rite of Passage into adulthood. Jokes, puzzles and suspense all the way!

KING'S QUEST VII

«...worthy
of a Disney cartoon»
JOYSTICK

King's Quest VII establishes a

new standard for animated adventure games.

In this game, author Roberta Williams spins an enchanting tale of a mother and daughter caught in a world of fairies, trolls, and magical lands.

UNIQUE FEATURES

- Developed using brilliant cinema-quality animation
- Accompanied by a memorable, fully orchestrated musical score
- Features an enchanting world in which you play as two different characters
- Unfolds in moving, novel-like chapters
- Includes breathtaking, high-resolution animation and backgrounds

The bestselling adventure series of all time returns with the most spectacular episode yet. Told through breathtaking, cinema-quality animation and accompanied by a dynamically beautiful score,

«It's easy to see why this Sierra series is the bestselling of all time»
COMPUTER GAME REVIEW

Now, the complete works of the King's Quest series are gathered in one box!

What's inside the box:

- King's Quest I, original text input and new icon-based parser versions
- King's Quest II
- King's Quest III
- King's Quest IV
- King's Quest V, Multimedia PC version
- King's Quest VI, Multimedia PC version
- An interview with bestselling author Roberta Williams
- A complete history of the development of this industry-leading series

SPACE QUEST 6

ROGER WILCO IN THE SPINAL FRONTIER

«The Space Quest series have been one of our favourite for years»

COMPUTER GAME REVIEW

Space Janitor Wilco is back, in the most smart-aleck, most satiric Space Quest ever! This state-of-the-art SVGA game mercilessly

skewers all your favourite science fiction movies and computer and video games. Best of all, Space Quest 6 is fat free and has very few harmful side effects. So grab a mop and hang on tight, because this is the most fun you can have in Outer Space (yet)!

UNIQUE FEATURES

- State-of-the-art graphics, using SVGA resolution and multiscreen scrolling graphics
- Unique outrageous «Space Quest» humour
- Includes an optional arcade sequence, «Stooge figther 3»
- Fully interactive, not a pre-directed «movie»

THE SPACE QUEST COLLECTION

«A prime example of why Sierra is at the top of the computer gaming world»
GAME PLAYERS MAGAZINE

You'll own the entire Space Quest Collection, from the original Sarien Encounter published in early 1986 to the most recent installment, Roger Wilco: The Next Mutation.

What's inside the box:

- Space Quest I, original text input and new icon-based parser versions
- Space Quest II
- Space Quest III
- Space Quest IV, MPC Multimedia version
- Space Quest V
- A video look at the Two Guys from Andromeda
- A complete history of the development of this industry-leading series

UNIQUE FEATURES

THE LAST DYNASTY

The Last Dynasty: A sophisticated combat simulation and a vast adventure game.

Combat simulation:

- High resolution, full screen combat
- Entirely modular and customisable cockpit
- Define and create your own fighting strategies and combat environment

- A perfect blend of action, simulation and adventure gaming
- Combat phases start off very simple, progressively becoming more sophisticated and complex as you advance in the game
- Permanent textual and vocal on-line help during space combat and adventure phases
- A simple, user-friendly interface for all adventure phases

"If this is an indication of things to come from the new multimedia revolution, Sierra might just have cracked it"

PC ZONE

Adventure:

- Explore the largest space station ever seen in a computer game
- Move freely in an ultra smooth, high resolution 3-D environment with over 100 different locations
- Solve puzzles, create traps and shoot enemies

ACTION
ADVENTURE

INCA 1

INCA 2

AUDIO CD: the original
soundtrack of INCA 1

INCA II

UNIQUE FEATURES

- Pilot your spaceship through space and time in a planetary search
- Completely customized combats and ships
- Move freely in superb 3-D pre-rendered backgrounds
- Meet real life blue screen movie characters

SIMULATION

«Possibly the
best flight sim
compilation available for the
PC today»
CD ROM USER

ACES OVER EUROPE

The complete "Great War Planes" series on one CD. Includes A10 Tank Killer, Red Baron, Red Baron Mission Disk, Aces of the Pacific, WWII 1946 and Aces over Europe together with on-line windows manuals

ACES OVER THE PACIFIC

UNIQUE FEATURES

- Four flight sims, two mission disks and a multimedia reference CD for the price of one flight sim
- Over 60 meticulously researched aircraft to choose from
- Hundreds of historically accurate missions and a powerful mission recorder
- Fly with either the English, German, US or Japanese air forces

ACES OVER MOUNTAINS

It's back with a vengeance.

The rugged tank-busting A10 Thunderbolt II.

Swoop in low over realistic mountainous terrain to unload on enemy tanks and artillery.

You're fighting down and dirty, in day and night missions, armed with the most powerful cannon ever mounted in an airframe. Heads-up Display gives you full targeting control of your arsenal of air-to-ground and air-to-air missiles.

UNIQUE FEATURES

- Glorious hi res SVGA graphics and detailed photographic landscapes
- Earth shattering sound effects such as the roar of the A10 engines, tank explosions etc.
- Step by step instructions for learner pilots
- Full targeting control of all missiles

On-board training and video tactical instruction guarantee you'll be ready for your first mission. The most adrenaline pumping air combat ever seen!

COMMAND: ACES OF THE DEEP

«The best sub sim
ever put to sea»
PC HOME

Acès of the Deep is now available in new hi-res SVGA with a unique voice recognition option! Take command in the most realistic and technically advanced WWII German U-boat Simulation ever created. Pushing your tactical abilities to the limit, you'll stalk the enemy waves of the North Atlantic in a

battle where the hunter quickly becomes the hunted. Attempt to strangle shipping lanes and outmanoeuvre convoy escorts. React as technological advances wreak havoc with the success of your submersible torpedo boat.

- Developed specially and exclusively for Windows '95
- Incredible SVGA graphics
- 7 U-boats, over 20 warships and 8 aircraft all meticulously researched
- Historically accurate missions and campaigns
- Amazing special effects including speech recognition, digitized german speech, creaking hulls, etc.
- Includes full length windows video of interviews with actual WWII U-boat captains

ACES OF THE DEEP MISSION DISK

«Now a Mediterranean theatre of operations and loads of other fun stuff»
PC GAMER

New Weapons. New waters. Now take command of a fearsome new weapon, the type XXI submarine.

- Extend your career as the Commander of a German U-boat
- Experience more of the historical accuracy, realism and unparalleled game experience that made Aces of the Deep so popular
- Now command the Type XXI submarine - the first «real» submarine

POLICE QUEST

SWAT

In this game, designed by Daryl F. Gates, former police chief of Los Angeles and Tammy Dargan, who directed the previous Police Quest episodes, you are a member of SWAT (Special Weapons And Tactics Forces).

UNIQUE FEATURES

You are working in the special weapons and strategies department and learning how to tackle all types of crisis situations. Will you be able to handle all the dangers of one of the biggest cities in the United States? Innocent lives are depending on your ability to defend and protect them.

- Presentations of the different strategies used by the SWAT teams to respond to terrorist attacks
- An apprenticeship covering the most advanced SWAT equipment, such as MP5 and AR15 rifles, tear gases and stun grenades, or the special helmets
- Training in how to become a SWAT marksman, using a Robar 308 fitted with a sight
- Very well-documented video sequences filmed on the training sites of real SWAT officers, and views of the outskirts of Los Angeles

The Earthsiege continues with the latest in the

Metaltech series, Earthsiege 2 : SKYFORCE. Skyforce is an action packed, thundering sequel to the immensely popular combat game that set new standards in robo-

tic simulation. Along with ground based combat, Skyforce brings you fast paced robotic combat from the air.

- High resolution graphics and fluid 3-Space animation
- Communicate visually and audibly via radio with your squadron to outflank the enemy
- Thundering robotic combat, gripping action and pyrotechnics galore will keep you riveted in your seat for days
- Salvage weapons and acquire new technology as it evolves throughout the game

Enter the battle-scarred warzone known as the Metaltech universe and

put your strategic tactical skills to the ultimate test. In this turn-based strategy game, you choose to join one of six political factions, attempting to form long-term alliances, or become the rogue HERC to fight the single battle. You can join

- Fight against highly detailed, fully animated 3-D rendered HERCs
- Beautiful SVGA graphics
- Role-playing game playing element includes character development, energy management and weapons configuration
- Windows '95 compatible

CAESAR II

Even more powerful than the world-famous city simulation, this time extended to the entire Roman Empire. Sumptuous graphics, an unusually effective interface, real-time 3-D visualization of the construction of your city. Begin with a simple province in the very early days of the Roman Empire and build up your local capital. Defend the whole province with the help of fortifications,

UNIQUE FEATURES

- Real-time simulation
- SVGA graphics
- Accurate historical information
- Digitized voicing and sound effects

exploit its resources, set up trade routes, raise armies and take into consideration the wishes of your Emperor, back in the Imperial City. Once the Emperor has promoted you, you can attack another province, pillaging its economy and using its living strength for your own purposes. You will also be up against attacks by the Huns and invasions by the Carthaginians and Gauls. But will you be able to make the Emperor himself lose any sleep and extend your Empire over the whole world?

«This one will sit high on the "must play" list»
PC GAMER

- On-line help and assistance
- Several novice modes for experimentation
- Functions under DOS

Space Buck

You are managing an interstellar transport company in the 22nd century and transporting human passengers and extra-terrestrial beings to the four corners of the known Universe. It is your task to negotiate the fares, to open new lines, to build or charter space liners to every destination your customers are prepared to pay for.

Your aim: the maximum expansion of your commercial lines. Your 3 competitors are capable of anything: sabotage and bribery are their normal weapons. And then, of course, there are the pirates!

UNIQUE FEATURES

- Sumptuous SVGA graphics
- Superb 3-D animated sequences
- Dozens of different extra-terrestrial races
- Random galaxy creator
- Several levels of difficulty
- CD-Rom compatible with Win 3.1 and Win'95

BATTLE BUGS

«One of those few games that deserves to be played by everyone and anyone» PC POWER

This is Battle Bugs. A game of military strategy where insect troops rage across tabletops and storm junk food targets. Standing in their way are legions of enemy troops, armed to the teeth. You - and your battle strategy must guide your troops to glory. Will your armada of spiders cross the cola lake in time to save the flag? Will the suicide run of a kamikaze mosquito take out the praying mantis?

UNIQUE FEATURES

- Full digitized sound effects and speech
- Special scrolling feature to view the entire battlefield
- More than 20 different bug types with varying special abilities
- Special channel-changing TV set for help on insect abilities, hot keys, save, restore etc.

«Absolutely the best science fiction software ever»
OMNI MAGAZINE

The Earth has been destroyed by a catastrophic event, and it's your job to rebuild civilization on another planet. Where you go and if you survive is up to you. Shape a new society, sustain life in hostile atmospheres, build and control the growth of your colony - there's a whole galaxy of possibilities. Based on current

NASA research in planetary science, robotics, terraforming and interstellar spacecraft design, OUTPOST places you in control of the most comprehensive strategy simulation ever developed for the PC.

- Sophisticated simulation of planetary colonization
- State-of-the-art 3-D rendered graphics
- Designed by Bruce Balfour, a former scientist for the Space Sciences Division of NASA's Ames Research Center

U.N.S. TRANTLUS 4-C 'Odessa-class' 1,416,323 tonnes
Engines: New RamkinFusion Complement: 4000
Caption: Louisa Johansson Launch date: 19 Nov. 2325

«Challenging and very addictive» PC ZONE

Exploration and colonization is the name of the game. Overcome all types of crises such as natural disasters, alien confrontations, and colonial emergencies in order to reach the

LET'S face an invasion from alien invaders! You'll have to find clues on your planet's estate and capture our robots right now...
possibly fighting and back to capturing the attack of the aliens as we do... Find out who or what is really the true force and destruction!

ultimate goal of discovering a faster than light propulsion device.

- Complex and intricate storylines
- Personalized digitized voicing for all personalities
- Detailed fractal graphics with bitmap overlays
- Stunning cinematic sequences using 3-D studio graphics tools

**FRONT PAGE
BASEBALL '96
SPORTS**

«The best
baseball game on the PC»
CD ROM MAGAZINE

UNIQUE FEATURES

- Licensed by the Major League Baseball Players Association
- Played in a three dimensional stadium with high res batter-pitcher views and rotoscoped animation
- The first simulation to position all four umpires on the field with their play-calling positioning determined by actual umpire instruction manuals

A superb pitch-by-pitch simulation of professional baseball. The player selects how much control they want to take, from a simple manager-only mode to the advanced control of players. Actual players have been filmed and rotoscoped to provide smooth and realistic player movement animation.

FOOTBALL '96

Front Page Sports Football includes nearly every aspect of the game that gridiron fans could ask for. Detailed statistics, highly realistic game play and team management are all combined into one product.

...the most playable and up-to-date gridiron game around»

PC GAMES

UNIQUE FEATURES

- Unique play editor option with over 10,000 stock plays
- Over 8,000 frames of animation filmed in 3-D stadiums
- Licensed by the NFL Players Association

BASS FISHING

Bass Fishing brings the thrill and excitement of fishing on your favourite lake into your living room. This comprehensive and accurate simulation models all aspects of bass fishing from weather conditions to equipment selection, from presentation techniques to fighting a trophy "bucket-mouth".

THE STRIKE

You will strike at a key for a number of reasons. You'll raise the most valuable strikes from feeding fish, of course. But you will also hit them out of either impatience, indecision or frustration, or partly out of sheer bad luck. You'll greatly increase your success by learning about your tackle and techniques to catch those fish! Temperature, water clarity, water level, and more than ten factors can affect a fish's desire to strike.

YOU PAGE NEXT PAGE

- The most realistic lake fishing simulator available
- Nine photo-realistic virtual lakes modeled after those on professional bass fishing circuits
- Multimedia "how to" section hosted by top bass pros

3-D ULTRA PINBALL

Based on the rich graphics from the acclaimed Outpost game, 3-D Pinball will boast the finest 3-D graphics seen on any previous pinball game. On-line movies, with help, hints, game history and trick shot tips from world class pinball players.

UNIQUE FEATURES

- Developed specially and exclusively for Windows '95
- Five play fields including the planet surface, factory, command post, mine shaft and underground lab
- Hundreds of visually rich 3-D rewards and obstruction animations in 3-Space animation

«Pinball as you've never seen before»
CD-ROM TODAY

combined with scores of astonishing 3-D animation rewards and lightening fast bonus play modes help make this game the most adrenaline blasting «pin» ever devised on any platform.

LODE RUNNER: THE LEGEND RETURNS

«Ultimate playability, totally addictive. A classic»

CD-ROM USER

The legendary hit from the 80's is back! Lode Runner - The Legend Returns is an all new version of the lightning fast action/arcade classic with better puzzles and of course better graphics. Snatch all the treasure, dodge the evil monks with your trusty laser pistol and bore through

walls and floors to find extra tools to make it to safety.

- Ten underground worlds with over 150 mazes
- Thoroughly updated high resolution graphics
- More levels!
- All new network version coming soon

UNIQUE FEATURES

THEXDER

With Thexder, pilot a powerful armoured robot through 50 complex mazes, each thick with tricky puzzles and hostile aliens. With the touch of a button, this robot transforms into a tank to do battle, or into a jet that blasts off to other worlds in search of his ultimate enemy, Primus Mech. Thexder must fly, run, jump, crawl, and fire as he adapts constantly to different hostile environments.

UNIQUE FEATURES

- Battle your way through five unique worlds, each with ten levels of fast action
- Fight against fifty different types of hostile aliens, each with unique powers and attack patterns
- True multi-tasking! Monitor up to eight different windows of information that update in real time
- Makes use of Win '95 multi-tasking capabilities
