

## IMPORTANT: PLEASE READ

**This game is available in both 256 Color and 16 color versions. If you have the incorrect version for your computer system, use this form to upgrade to 256 color or downgrade to 16 color.**

Please use this coupon to order your replacement diskette, and remember to enclose **disk 1** of your original game diskettes. You may wish to make backup copies of your game diskettes so that you can continue to play until your replacement diskettes arrive. Be sure to **KEEP** your documentation; this upgrade package will contain only replacement diskettes.

Allow 3-4 weeks for shipping.

---

### 256 Color Exchange

**If your system supports 256 color graphics (VGA or MCGA for Sierra game, VGA only for Dynamix games) and has a 286 or 386 microprocessor that runs at 10 mhz or faster, you may wish to upgrade.**

Please send the 256 color version of this game. I have enclosed my original disk #1 and \$5 to cover shipping and handling.

Name \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Daytime Phone Number (requested) \_\_\_\_\_

Game Title \_\_\_\_\_

\*Note: this exchange offer is only valid for this game.\*

Check/Money Order    Visa    MasterCard    American Express    Discover  
(payable to Sierra On-Line)

Account Number

Expiration Date   /   \_\_\_\_\_  
Authorized signature (required for credit card orders)

Only one size disk will be sent, please check one:

- High Density (1.2 meg capacity) 5.25" diskettes  
 High Density (1.44 meg capacity) 3.5" diskettes.

**Note: This game requires a hard disk.** (Note that Red Baron does not require a hard disk.)

Send to:                    256 Color Upgrade  
                                 Sierra Fulfillment Department  
                                 P.O. Box 485  
                                 Coarsegold CA 93614

**If your system has 256 color graphics but your microprocessor runs at a speed slower than 10 mhz, the 16 color version may run better on your computer than the 256 color version.**

If you have any questions about whether you need to order the 256 color version, please call Sierra's Technical Support Department at: (209) 683-8989.

See other side for additional information.
