

Covers Games I — IV

A Player's Guide to Winning King's Quest™

The King's Quest™ Companion

by Peter Spear

The King's Quest™ Companion gives you all the background information you need to successfully finish games I through IV, plus history, maps, legends, biographies, and plenty of answers.

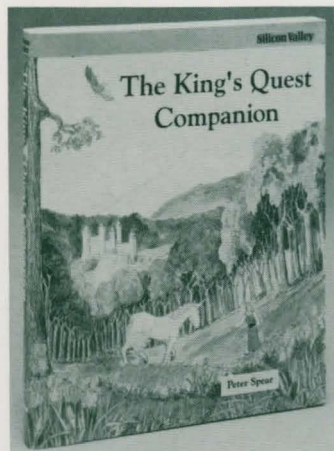

Peter Spear reveals the world of King's Quest to you as you find out how Dracula, Medusa, leprechauns, and beanstalks, all come to life in the world of King's Quest.

The King's Quest™ Companion is perfect for fun or for a gift, but especially for a helping hand.

\$14.95, A Quality Paperback, ISBN: 0-07-881555-X, 200 pp., 7-3/8" x 9-1/4"

A Player's Guide to Winning King's Quest™

"The King's Quest Companion is an interesting blend of fiction and helpful information for playing my games. Anyone interested in reading the story behind King's Quest or who just needs to be 'unstuck' while playing the game will find this book invaluable." Roberta Williams, Creator of the King's Quest Series and Cofounder Sierra On-Line, Inc.

About the Author

Writer, broadcaster and EMMY award winner Peter Spear has produced the nationally syndicated TV program "The Computer Show." As a computer game "beta tester" and consultant, he's worked closely with manufacturers to bring the best games to market. In addition, Spear writes, produces, and directs commercials and videos. He's been an avid King's Quest player for years.
