Attention microcomputer software writers!

ShareData, Inc. is aggressively seeking high quality software for Apple, Commodore, Atari and IBM compatible brands of microcomputers. ShareData, Inc. has pioneered the high quality, affordably priced software marketing concept. With one of the largest distribution channels, ShareData's software is sold all over the world! If you have written a unique program and would like to have it published, send it to ShareData for review. If accepted, your software will receive international market exposure while you enjoy competitive royalties.

To have your software reviewed for publishing, send it to: Product Licensing Dept.

ShareData, Inc. 7122 Shady Oak Road, Minneapolis, MN 55344.

ENTERTAINMENT SERIES

Wizard and the Princess

You are a happy wanderer passing through a village in the land of Serenia when you notice a large crowd gathering. "HEAR YE, HEAR YE! His Majesty King George has just suffered a terrible loss. His fair daughter, the Princess Priscilla, has been abducted by the great and dreadful wizard, Harlin, to his castle beyond the great mountains. His Majesty offers half his kingdom to anyone who can bring the princess back safely." Not only are you a happy wanderer, but you love adventure as well, and half a kingdom is a great reward. You decide to find her.

There are a great many dangers on the way to the great mountains, and the Wizard Harlin is very powerful and bad. You start off to the north only to see a vast desert that seems never to end. You check your belongings, a flask of water, a small knife, a loaf of bread and a blanket. Not much for such a long journey, but it will have to do, for you have no money. And so, you are on your way....
