

# CD-ROM INSTALLATION INSTRUCTIONS

**Game Inventory:** One CD-ROM, three Rule Books, three Data Cards and this Installation Card.

**Installation:** The games must be installed on your hard disk drive to work properly.

1. Place the Eye of the Beholder CD in your CD-ROM drive.
2. Make the CD-ROM drive active. For example, if your drive is D, type **D:** and press **ENTER**.
3. Type **INSTALL** and press **ENTER**.
4. Follow the on-screen prompts to install each game.

**EYE OF THE BEHOLDER** requires 565,000 bytes of free conventional memory and at least 2.1 megabytes of free hard disk space. The default install location is to C:\EYE. To play the game, make sure you are in the EYE directory. Type **START** and press **ENTER**.

**EYE OF THE BEHOLDER II: THE LEGEND OF DARKMOON** requires 589,264 bytes of free conventional memory and at least 2.7 megabytes of free hard disk space. The default install location is C:\DARKMOON. After you install the game, it must be configured for your computer system. Change to the DARKMOON directory. Type **SETUP** and press **ENTER** to configure the game. To play, change to the DARKMOON directory. Type **START** and press **ENTER**.

**EYE OF THE BEHOLDER III: ASSAULT ON MYTH DRANNOR** requires 575,000 bytes of free conventional memory and at least 9.5 megabytes of free hard disk space. The default install location is C:\EOB3. You can configure Eye of the Beholder III for your computer's sound hardware by changing to the EOB3 directory and typing **SOUND** and pressing **ENTER**. To play the game, make sure you are in the EOB3 directory. Type **EYE** and press **ENTER**.

Please refer to each game's data card for additional information and specific system requirements and suggestions for freeing conventional memory.
