FROM SSI!PC DOS
CD-ROMDeveloped by
SSI Special Projects Group.

SSI's all-new WORLD OF ADEN™ is a big, brawny, boisterous realm! Driven by mechemagic — the marriage of steam-age technology and ancient sorcery — Aden is a huge world of unbridled imagination and limitless possibilities. THUNDERSCAPE™ is your maiden voyage into the WORLD OF ADEN. This masterpiece features raucous combat. Deadly traps. Brain-draining puzzles. Killer graphics and sound. It's everything you'd expect in an SSI fantasy role-playing adventure... and more! Come,

a whole new
world beckons!

256-color VGA

A MINDSCAPE® COMPANY

Welcome To SSI's All-New WORLD OF ADEN™ – And An Adventure That's Guaranteed To Make Your Skin Crawl!

WORLD OF ADEN™, SSI's vast new fantasy role-playing game world, is a wondrous place where ingenuity and imagination

reign supreme! Driven by mechamagic – an arcane mix of steam-age technology and ancient sorcery – Aden promises adventuring like you've never experienced!

First introduced in THUNDERSCAPE™, Aden is a world in turmoil. It is the time of the *Darkfall*, a malevolent plague that stains the land with its horrific offspring – and threatens to corrupt every living thing in the land! ENTOMORPH™: PLAGUE OF THE DARKFALL™ finds you in Kyan, where you witness first-hand one of the many bone-chilling manifestations of this virulent evil – *the inhabitants are slowly being transformed into ghastly giant insects!* The horror mounts when you realize you're trapped in Kyan and destined to suffer the same fate as those lost souls you've seen skittering into the shadows on six legs!

In a single spine-chilling flash of realization you feel the change begin, deep inside. Time is now your worst enemy. Find the root of these evil transformations while you still can – or drown in the seething sea of insects that is Kyan!

This single player fantasy role-playing adventure features an intense, branching storyline. Grisly combat with a variety of deadly attack options. Treacherous traps. Mind-bending puzzles. AND ENTOMORPH: PLAGUE OF THE DARKFALL is presented in state-of-the-art high-resolution graphics – with a CD quality soundtrack that's guaranteed to make your skin crawl! **By Cyberlore Studios.**

Just When You Thought It Was Safe To Go Back Into Space...

IBM 256-COLOR SVGA

This sizzling sequel to RENEGADE: BATTLE FOR JACOB'S STAR™ sends you back to this troubled system to face an all-new and even more mysterious TOG threat!

RENEGADE: RETURN TO

JACOB'S STAR™ delivers *more* than just spectacular SVGA graphics, cinematics, digitized voices, music and sound effects. You'll fly 50 new missions. Get 2 new Renegade ships, *Peacekeeper* and *Defiant*, to choose from. Face an all-new *Legati* class TOG ship. And now, head-to-head modem play brings you and a friend face-to-face on the Holodeck – for a laser battle you'll never forget! **By Midnight Software/SSI Special Projects Group. ► PC DOS CD-ROM.**

Prepare For The Dogfight Of Your Life – Renegade-style!

IBM 256-COLOR SVGA

RENEGADE: BATTLE FOR JACOB'S STAR™ is space combat at its very best! Command a squadron of Renegade fighters against an overwhelming Terran Overlord Government invasion force. Fly your

choice of futuristic ships – from the speedy *Cheetah* and elusive *Space Gull* to the exotic *Fluttering Petal* and the massive *Pegasus*. FASA's RENEGADE LEGION®: INTERCEPTOR® game system comes alive with spectacular SuperVGA graphics, cinematics, digitized voices, music and sound effects. Once you dogfight in space *Renegade-style*, you'll know what it's like to really sweat bullets! **By Midnight Software/SSI Special Projects Group. ► PC DOS CD-ROM.**

Three Worlds. One Box. Limitless Adventuring!

Here's your ticket to fantasy role-playing paradise! Not only do you get these three complete mega-hits – *you get intense role-playing adventure in three vastly different and exciting AD&D® game worlds!*

- ◆ **AL-QADIM®: *The Genie's Curse***
- ◆ **DARK SUN®: *Shattered Lands***
- ◆ **RAVENLOFT®: *Strahd's Possession***

In the exotic AL QADIM® game world you're in for a tale of high magic and dark deeds, as THE GENIE'S CURSE is presented in the grand style of the Arabian Nights. SHATTERED LANDS is your first visit to the savagely hostile desert wasteland of the DARK SUN® game world – where mere survival is a full-time task. STRAHD'S POSSESSION introduces you to the eerie RAVENLOFT® game world, and AD&D® gothic horror role-playing at its very best! **► PC DOS CD-ROM.**

THE 3DO™ SYSTEM

Three Dimensional **AD&D®** Dungeon Delving The Way You Want It – Fast, Furious and Fun!

An evil Necromancer has escaped from his icy prison and is wreaking havoc upon the surrounding lands.

DEATHKEEP™ sends you to a frozen wasteland to put an end to this terror! Be prepared to fight your way through over 25 dungeons – each with 8 floors within!

Explore icy caverns, three ominous towers and a *fantastic final dungeon*! Battle over 27 different monsters – including a variety of Tanar’ri,

Mephits and Golems. Avoid insidious traps. Solve mind-boggling puzzles. The ability to jump and fly adds a whole new dimension to your quest – but be careful not to fall! The

fully 3D environment means you can look up, down and all around. Everything you view is in a natural perspective – including the beasts that want you dead! **By Lion Entertainment.™**

After Blowing The Critics Away, This Award Winning Mega-Hit Invades The 3DO System!

This innovative strategy adventure looks as good as it plays – and it plays so well that *Computer Gaming World* has described game play as, “such fun that even non-wargamers are likely to find themselves hooked.” The year is 1939 and you are a German General with a fresh command in Poland.

Anything can happen. Lead well and your inexperienced units could turn into an overwhelming force plowing through Norway, Belgium, France, North Africa and the Eastern Front. You could end up on the shores of England by 1940 – or in America by 1945! In addition to the campaign game, you can play over 35 progressive scenarios independently as either the Allied or Axis side. Choose from over 350 unit types – from Tiger tanks to B-17 Flying Fortresses. Play PANZER GENERAL™ and see what the critics are raving about! **By SSI Special Projects Group.**

SONY® PLAYSTATION™

PANZER GENERAL™ Continues Its Winning Streak, Setting Its Sights On The Sony PlayStation.

PANZER GENERAL is racking up victory after victory! First it took the PC market by storm. Then came the lightning-fast conquest of the 3DO™ System! And no wonder – according to *Computer Game Review*, “They don’t come much better than this.” Now, SSI’s fun and innovative strategy blockbuster advances to

the Sony PlayStation – and there’s no stopping it! The year is 1939 and you are a German General with a fresh command in Poland. Anything can happen. Lead well and your inexperienced units could turn into an overwhelming force plowing through Norway, Belgium, France, North Africa and the Eastern Front. You could even end up on the shores of England by 1940 – or in America by 1945! In addition to the campaign game, you can play over 35 progressive scenarios independently as either the Allied or Axis side. Choose from over 350 unit types – from Tiger tanks to B-17 Flying Fortresses. It’s time to see what the critics are raving about! Play Panzer General today – it will blow you away! **By SSI Special Projects Group.**

The First AD&D® Game Available For The Sony PlayStation Is Already Hot-Hot-Hot!

It has already knocked ‘em dead on the 3DO System, winning *Electronic Games* magazine’s MULTIMEDIA ADVENTURE/ROLE-PLAYING GAME OF THE YEAR. Now, SLAYER™ comes to the all-new Sony PlayStation – and it’s better than ever! As an AD&D game hero, you’re armed to the teeth with weapons and magic.

Explore vast, bone-chilling dungeons filled with the creatures of your worst nightmares. Hack and slash away at these vile monsters. Avoid treacherous traps. Solve mind-numbing puzzles!

And prepare to be very, very busy! The randomized dungeon generator can create over 4 billion different dungeons, each with its own unique overlord that you must defeat. That’s a completely new monster hunt every time you play! And because it’s designed for the Sony PlayStation, this incredible single-player fantasy adventure delivers the most awesome graphics and animation you’ve ever seen. Plus, a first-person perspective that lets you look up, down and all around. It’s virtually real! **By Lion Entertainment.™**

If You Like Tanks, Welcome To Armored Combat Heaven!

IBM 256-COLOR SVGA

Go tank to tank in this World War II tactical squad level blockbuster! Set in war-torn Europe and the Pacific from 1939 to 1945, STEEL PANTHERS™ puts you in command of a single

squad or an entire battalion as any Allied or Axis nation. In addition to tanks, you get all of the appropriate support unit types – including infantry, cavalry and motorcycles. Play a campaign game. Choose from the many ready-to-play historical scenarios. Or create your own custom scenarios using the random scenario generator and the powerful scenario editor! Plus, you decide which type of combat to engage in – from full-blown assaults to desperate holding actions.

However you choose, game play is fun and easy. *And gorgeous!* Explosive SuperVGA graphics and intense animation help you feel the destruction as buildings burn and tanks explode! All this plus digitized photos of over 200 tanks make STEEL PANTHERS as exciting to watch as it is to play. Add digitized stereo sound effects and this armored warfare experience will have you running for cover! **By Gary Grigsby/SSI Special Projects Group. ► PC DOS CD-ROM.**

A Feature-Packed Submarine Simulator Without Equal!

IBM 256-COLOR SVGA

As commander of a World War II American submarine in the Pacific, your task is simple – *sink as much enemy tonnage as possible!* Choose from a variety of American submarines – SILENT

HUNTER™ includes such classes as Gato, Balao, Tambour and Salmon. Then, let the hunt begin! Prowl the shipping lanes. Steal into enemy harbors. Embark on Special Operations missions. *And all of this is done with the assistance of a very real submarine warrior!* Technical advisor William "Bud" Gruner commanded the submarine USS Skate during World War II, and was awarded the Navy Cross and the Silver Star. Commander Gruner provides narration on technical and tactical matters as well as personal anecdotes of his vast WWII experience – which includes the sinking of a Japanese cruiser and several merchant ships. This plus authentic World War II film footage and cinematics throughout SILENT HUNTER provide an intensely accurate historical feeling for submarine combat. Play individual missions or an entire campaign. Enjoy a first-person view of ships and an eagle's eye view of tactical situation maps. And prepare to be blown away by magnificent SuperVGA graphics, an original sound track and action so real you'll want a life jacket! **By Aeon Electronic Entertainment, Inc. ► PC DOS CD-ROM.**

Walk In The Footsteps Of Alexander The Great!

IBM 256-COLOR HI-RES

GREAT BATTLES OF ALEXANDER™ presents a chronological accounting of the battles of Alexander the Great. And it does so using the best of the old and the new! You'll fight with old tech-

nology such as elephants and pikemen, and follow historically correct ancient battle tactics. But that's where the old ends! This game is a state-of-the-art Windows® environment with on-line historical reference, modem and network support for multi-player and head-to-head combat, plus high-resolution graphics that capture the feeling of a miniatures based wargame! Even Alexander would be impressed. **By Erudite Software. ► MPC WINDOWS® CD-ROM.**

The Pacific Is Yours – If You Can Stand The Heat!

IBM 256-COLOR SVGA

SSI's Advanced Simulator Series continues! GNB III is a huge simulation of the entire Pacific War. You get all major ships and aircraft of the Pacific Theater. A random battle generator provides un-

limited conflict – from small surface engagements to full-blown carrier task force battles! Use the scenario editor to create battles or modify existing ones in areas like the Solomons or the Philippines. The customizer lets you alter various aspects of the game routines for total control! A new interface and new menu options, SuperVGA graphics and a killer sound track make this the hottest thing afloat! **By Roy Gibson. ► PC DOS CD-ROM.**

Swords To Starships – It's All Here In This Mega-Collection!

Now you can collect a dozen classics from three top publishers, including a plethora of extra scenarios not originally available with some games – *without wasting any time or energy on collecting at all!* With THE DEFINITIVE WARGAME COLLECTION we've done the collecting for you, and we include a bonus 20-page magazine with a synopsis of each game – plus on-line documentation for the entire multi-genre package. **► PC DOS CD-ROM.**
