## THE FERGUS McNEILL COLLECTION

(with a few carefully descriptive words from the great man himself!)

### SHERWOOD FOREST

An early game from Delta 4's Dark Ages.As the title suggests,this game has nothing to do with space travel!

### THE DRAGONSTAR TRILOGY (3 parts)

Delta 4's original threesome,this was the first game to be noticed by the adventure press...and just in time too,as it dissuaded the D4 team from becoming the chartered accountants they always wanted to be!

### QUEST FOR THE HOLY JOYSTICK

A nostalgic romp through the heady days of eighties software boom.This was Delta 4's first comedy adventure!

### RETURN OF THE JOYSTICK

Originally to have been called "Joystick II - This Time It's Personal",this is the controversial sequel to "Quest For The Holy Joystick".

## THE ST BRIDE'S COLLECTION

### THE SECRET OF ST BRIDE'S.

What is the secret? Why does everyone seem to be living in the 1930's? Start exploring the school - but be warned;the quest will take you back to Cromwell's time,to the wild fantasy world of ancient Ireland and to Dublin at the turn of the century in your search...and you still may not have the answer!

### THE SNOW QUEEN (2 parts)

When splinters from the devil's mirror entered his heart,Gerda's best friend Kay fell under an evil enchantment. Spirited away by the Snow Queen he can only be rescued by Gerda..with your help! Reading the Hans Andersen story will help with this game!
